Mr John Muller,
Chair, SF Bay Regional Water Board
1515 Clay St, Suite 1400
Oakland, CA 95612

Dear Mr Muller,

The SF Bay is filled with trash. It destroys recreation, impacts water quality, and kills marine life. The Board's proposed permit would require cities and counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot" - this does not go far enough. Our precious Bay deserves the highest level of protection - zero trash.

Sincerely

Glenda Pawsey
